You can be as active or as relaxed as you want to be at Mango Groves. Apart from basic facilities the property includes access to host of top-notch amenities. Sure to tickle any one of your fancies.

A Holiday Home in a scenic location is a "Dream Come True" for everyone. Mango Groves is the perfect place to build your dream home or weekend getaway to unwind after a hectic week's work! It is conveniently located close to the city, at the same time you get transported to a serene and peaceful environment. Mango Groves is designed for the all round well-being of each of its dwellers.

It thus offers Cottage Clubhouse with a host of recreational facilities, designed exclusively for a sound body, mind and spirit!! Developed by Mango Groves, our project comprises 20 plots of opportunities: perfectly spread over 3.5 acres of lush greenery and mango orchard. With excellent connectivity, modern amenities and a club house cottage Mango Groves is a golden opportunity for those who crave for a weekend vacation home which is neither too close to the city and not too far.

Our life space is abundantly blessed with ornamental and fruit bearing plants and trees, thereby offering you a privilege of indulgence. Mango Groves is an ideal development for investment where returns are sure to the enhanced manifold.

WHY MANGO GROVES?

1. Gated Community
2. Surrounded by Lake and nature and exotic birds.
